## Re: Request for Volunteer Vets

Dear Sir / Madam

I am writing on behalf of Animals Enchanted requesting for volunteer Vets for free spay and neuter of cats and dogs in Fiji.

We will be providing the volunteer Vets with accommodation and meals during their stay for 2 weeks. All the supplies bought into the country will be taken care of.

We urgently need Vets for spay and neuter as there are lots of cats and dogs suffering.

Your help and guidance will be highly appreciated.  
Please feel free to contact me for any clarification.

Kind Regards
